Adventure Canada itineraries may be subject to change without notice due to weather, ice, and sea conditions.

### **DAY 1: KANGERLUSSUAQ, GL**

Kangerlussuaq is a former US Air Force base and Greenland's primary flight hub. After our charter flight from Toronto, we will transfer to *Ocean Endeavour* by Zodiac.

Sondre Stromfjord is one of the longest fjords in the world: 168 kilometres of superb scenery. Steaming down this dramatic fjord we'll cross the Arctic Circle—from the north!

### **DAY 2: SISIMIUT COAST**

West Greenland's complex coastal waterways include glaciers, islands and fjords against a towering mountain backdrop. The waters are relatively warm here, due to the West Greenland Current and the sub-Arctic Location. Abundant fauna and marine life have supported human habitation here as far back as 4,500 years.

### **DAY 3: ILULISSAT**

Ilulissat means "iceberg", an apt name for this site at the outlet of the Sermeq Kujalleq glacier—a UNESCO World Heritage Site, and the source of many of the icebergs in the North Atlantic.

We will cruise in our fleet of Zodiacs to appreciate the icebergs, and visit the town of Ilulissat, with its museums, cafes, craft shops, and busy fishing harbour.

#### **DAY 4-5: WESTERN GREENLAND**

Exploring by ship and Zodiac along the west coast of Greenland, we have numerous options for expedition stops, to make the most of weather and wildlife conditions. Departing Greenland, we cross Baffin Bay toward Nunavut.

#### **DAY 6: AT SEA — DAVIS STRAIT**

As we steam toward Nunavut, our resource staff will deepen your understanding of the Arctic. This is an excellent time to enjoy workshops, watch a documentary, or get out on deck. Keep your binoculars ready for minke and humpback whales, as well as the seabirds that are sure to mark our passage.

#### **DAY 7: MITTIMATALIK (POND INLET), NU**

Mittimatalik is a busy Arctic community in a beautiful setting, a fascinating place to wander. The cultural presentation at the Community Hall is not to be missed—arts and crafts may be available here too.

#### **DAY 8-10: TALLURUTIUP IMANGA (LANCASTER SOUND) & DEVON ISLAND**

We will spend three days exploring Tallurutiup Imanga (Lancaster Sound), one of the newest National Marine Conservation Areas in Nunavut. Narwhal, beluga, and bowhead whales transit and feed in this area. We'll cruise by ship and Zodiac in search of wildlife.

On the northern border of Tallurutiup Imanga lies Devon Island, the largest uninhabited island on Earth at over fifty thousand square kilometres. Flat topped mountains, glacial valleys, and a substantial ice cap give Devon Island its unique character. We hike the tundra, cruise a glacier face, and seek wildlife from ship and by shore. Archaeological sites with expert interpretation allow us to learn about the Inuit history of this now-abandoned island. We'll visit the remains of a RCMP and Hudson's Bay Company site at Dundas Harbour.

### **DAY 11: BEECHEY ISLAND**

In 1845, Sir John Franklin set out from England with *HMS Erebus* and *HMS Terror*, attempting to sail through the Northwest Passage. His crew overwintered at Beechey Island—where three of his men died.

Numerous search parties later used Beechey as a depot and rendezvous. Amundsen, Bernier, and Larsen visited Beechey. Thomas Morgan of the *HMS Investigator* was buried there in 1854 alongside Franklin's men. The graves and the ruins of Northumberland House are a haunting memorial.

### **DAY 12-13: PRINCE REGENT INLET**

This passage marks an area rich in marine and avian life. Thick-billed Murres, Ivory Gulls, beluga, narwhal and bowhead whales reside in the ice-strewn waters. In addition to abundant wildlife, we'll delve deeper into the exploration of the Northwest Passage and mercantile efforts of the Hudson's Bay Company.

### **DAY 14-16: KITIKMEOT REGION**

The traditional territory of the Netsilik Inuit, the Kitikmeot Region consists of parts of Victoria Island, the adjacent part of the mainland as far as the Boothia Peninsula, King William Island, and the southern portion of Prince of Wales Island. Recently, the Kitikmeot Region has been in the news since the finding of the lost ships of the Franklin Expedition in its waters. It is

Nunavut's least-populated region, though wildlife abounds here both in the sea and on land. We will spend our time navigating the ice-strewn waters in search of wildlife.

We'll also call in at Uqsuqtuuq (Gjoa Haven) home of the Guardians of Terror Bay. The European name, Gjoa Haven, honours Roald Amundsen who overwintered in the bay for two years while searching for the Northwest Passage. Amundsen became the first European to cross the Northwest Passage, thanks to the knowledge and largesse of Inuit. The community has an excellent cultural centre and is well known for carvings and wall hangings.

### **DAY 17: KUGLUKTUK, NU**

Located at the mouth of the Coppermine River, Kugluktuk is the westernmost community in Nunavut.

Iqaluktuuttiaq (Cambridge Bay), NU is an alternate disembarkation point, and may be used based on sea, ice and weather conditions.

Today we will disembark the *Ocean Endeavour* and make our way to the airport to meet our charter flights to Calgary, AB.

## HIGHLIGHTS

- Sail the fabled Northwest Passage
- Seek polar bears, walrus, seabirds, and other Arctic wildlife in pristine natural environments
- Experience the majesty of the Northern Lights
- See the Franklin Expedition graves at Beechey Island
- Watch for marine mammals and wildlife in Tallurutiup Imanga (Lancaster Sound) Marine Protected Area
- Visit Ajuittuq (Grise Fiord), Canada's northernmost community
- Seek your 'furthest north' in Smith Sound
- Zodiac cruise among icebergs at Ilulissat Icefjord, a UNESCO World Heritage Site
- Voyage the length of Sondre Stromfjord—168 kilometres long!

Adventure Canada itineraries may be subject to change without notice due to weather, ice, and sea conditions.

### **DAY 1: KUGLUKTUK (COPPERMINE), NU**

Located at the mouth of the Coppermine River, Kugluktuk is the westernmost community in Nunavut. Known for many years as Coppermine, the community reverted to its original Inuinnaqtun name—meaning “place of moving waters”—on January 1st, 1996. Our charter flight will land in Kugluktuk and we will embark *Ocean Endeavour* by Zodiac.

Iqaluktuuttiaq (Cambridge Bay), NU is an alternate embarkation point, and may be used based on sea, ice and weather conditions.

### **DAY 2-4: KITIKMEOT REGION**

The Kitikmeot Region consists of parts of Victoria Island, the adjacent part of the mainland as far as the Boothia Peninsula, King William Island, and the southern portion of Prince of Wales Island. Recently, the Kitikmeot Region has been in the news since the finding of the lost ships of the Franklin Expedition in its waters. It is Nunavut’s least-populated region, though wildlife abounds here both in the sea and on land. We’ll explore by Zodiac and on foot.

### **DAY 5-7: PRINCE REGENT INLET**

This passage marks an area rich in marine and avian life. Thick-billed Murres, Ivory Gulls, beluga, narwhal and bowhead whales reside in the ice-strewn waters. In addition to abundant wildlife, we’ll delve deeper into the exploration of the Northwest Passage and mercantile efforts of the Hudson's Bay Company.

### **DAY 8: BEECHEY ISLAND**

In 1845, Sir John Franklin set out from England with *HMS Erebus* and *HMS Terror*, attempting to sail through the Northwest Passage. His crew overwintered at Beechey Island where three of his men died.

Numerous search parties later used Beechey as a depot and rendezvous. Amundsen, Bernier, and Larsen visited Beechey. Thomas Morgan of *HMS Investigator* was buried there in 1854 alongside Franklin's men. The graves and the ruins of Northumberland House are a haunting memorial.

**DAY 9: TALLURUTIUP IMANGA  
(LANCASTER SOUND)**

We will spend the day exploring Tallurutiup Imanga (Lancaster Sound), one of Canada's newest National Marine Conservation Areas.

Large populations of marine mammals, including narwhal, beluga, and bowhead whales transit and feed in this area. There is a great selection of landing sites available to choose from, depending on weather, wildlife, and sea conditions.

**DAY 10: AUJUITTUQ (GRISE FIORD)**

Aujuttuq means 'place that never thaws. 1,150 kilometres above the Arctic Circle, Canada's northernmost "civilian" community originated in the Cold War; in 1953, Inuit were relocated to Aujuttuq to boost Canadian sovereignty.

We'll be welcomed into the hamlet, where we will have a chance to meet members of the community, learn about their way of life, and hear their poignant stories.

### **DAY 11: SMITH SOUND**

Smith Sound, an ancient Inuit travel route, divides Ellesmere Island from Greenland, and served as the main route for explorers and adventurers searching for the North Pole. Adolphus Greely, Sir George Nares and Elisha Kent Kane all travelled these waters with varying degrees of success.

### **DAY 12: AT SEA**

On this exploration day, we'll be making the most of what the wind, weather and wildlife have to offer. Our expedition staff will scan for polar bears, walrus, whales, seals, and seabirds as we go.

### **DAY 13–14: NORTHWEST GREENLAND**

We will explore stunning fjords that line the coast. Glaciers and icebergs abound here. In true expedition style, we will seek opportunities to hike, explore, and view wildlife as conditions allow.

### **DAY 15: ILULISSAT**

Ilulissat translates literally into “iceberg”, an apt name for this site at the mouth of the Ilulissat Icefjord—a UNESCO World Heritage Site. The icefjord is the outlet of the Sermeq Kujalleq Glacier, source of many of the icebergs in the North Atlantic.

Here, we will cruise in Zodiacs to appreciate the icebergs. And we'll visit the bustling town of Ilulissat, with its museums, cafes, craft shops, and busy fishing harbour.

### **DAY 16: ITILLEQ FJORD**

The west Greenland coastline is a rich mixture of islands and complex coastal waterways. As we enter the Arctic autumn, the tundra foliage will be in gorgeous colour. We will be making an expedition stop here to explore the landscape of wild Greenland.

### **DAY 17: KANGERLUSSUAQ, GL**

Sondre Stromfjord is one of the longest fjords in the world and boasts 168 kilometres of superb scenery. We end our adventure by sailing up this dramatic fjord.

Kangerlussuaq, the town at its eastern head, is a former US Air Force base and Greenland's primary flight hub. Here we will disembark *Ocean Endeavour* for our return charter flight to Toronto, ON.

# Booking Information

## ITINERARIES

Weather, ice, government regulations, and events beyond our control may necessitate changes to the itineraries and/or the cancellation of certain shore excursions. There may be a planned alternate for your route—please inquire at the time of booking. In the event of itinerary changes, passengers are not entitled to any refund or other compensation. Should the tour be interrupted for any reason, repatriation costs and expenses relating to prepaid travel expenses will be at the sole cost of the traveller. There will be no refund for any portion of the tour already taken. Passengers should purchase full travel insurance coverage and refundable air/train tickets. Expedition fees are based on group participation. Should you choose not to take part in any activity or make use of services provided, no refund will be given. Vessels and dates are subject to change.

## HOW TO REGISTER

To register for an Adventure Canada tour, each participant must complete the registration form and return it to our office with your deposit.

International programs and expedition cruise tour fares are priced in US dollars and are per person, per voyage. A \$1,000 USD per person deposit is required to register for one of these programs.

By returning the registration form and deposit, you are acknowledging and agreeing to the Terms and Conditions and Release required for participation on any Adventure Canada excursion.

All cheques must be made out to Adventure Canada; ask your bank for information on foreign currency.

## CURRENCY

International programs and expedition cruise tour fares are priced in US dollars and are per person, per voyage.

Although we are a Canadian company, most of our expedition cruise operating costs are paid in US dollars. For this reason, expedition cruise tour fares are in US dollars. We will accept Canadian dollars based on our current exchange rates; please call for details.

We are not responsible for bank exchange rates on credit card transactions.

## PAYMENT POLICY

A deposit of \$1,000 USD per person per voyage is required upon booking to confirm participation.

The balance of the payment is required 120 days prior to your departure date. Adventure Canada reserves the right to cancel reservations if payments are not received in time. Please make cheques payable to: ADVENTURE CANADA.

As a registered Ontario company, we are licensed to sell travel packages through the Travel Industry Council of Ontario. **We are required to keep all customer deposits in Client Trust Accounts and may only use the funds once the trip has begun or to make a deposit to an operator on behalf of the client.** Our Client Trust Accounts are subject to audit by a CPA on an annual basis and regularly inspected by TICO auditors.
